

CONGRATULATIONS!

Hello Team!

Congratulations to Daniel Lin who will be receiving the **AASC President's Award** at the annual conference in Washington, D.C. on Tuesday, September 10, 2012. The President's Award is given by the AASC President Janice Monks to a member who, in the opinion of the President, is deserving of recognition for his/her work in the service coordinator profession. It is given at the discretion of the President with recommendations from the AASC Awards Committee.

It was the overwhelming opinion of the award's committee and Ms. Monks that Daniel be the recipient of this award. Daniel exemplifies the kindness, competency, and compassion that all of us strive for; not only in our work, but in our personal lives as well. Join with us in offering sincere and hearty congratulations to Daniel. We are so delighted and blessed to have him as a member of our KMG Prestige and Service Coordinator family!

Well done Daniel Lin!
